## About Us

**ICAPITAL ACADEMY & CORPORATE ADVISORY LLP** Is Leading Excellence in Financial Education and Advisory Services.

Since its establishment in October 2020, ICAPITAL Academy has become a premier institution in financial education and professional advisory services. We specialize in delivering NISM certification programs and Financial Market training through versatile formats, including online, self-paced, and classroom courses, tailored to diverse learning preferences and professional aspirations.

Our comprehensive educational offerings span finance, securities markets, and allied domains, providing participants with a robust understanding of the financial ecosystem. Through our coaching centres and innovative learning platforms, we deliver a holistic educational experience, empowering individuals with the skills and insights to succeed in competitive financial landscapes.

ICAPITAL Academy also excels in corporate training and human resource development, designing bespoke programs that enhance workforce competency and organizational growth. Our services aim to equip teams with the tools needed to navigate complex financial markets confidently.

## 4. The home page of blogs is not working."

While opening student section the tab is opening  
the INSTRUCTOR PROFILE.  
NEED A PROPER STUDENT LMS PORTAL AND REMOVE THE CREATE  
COURSE OPTION TOO FROM STUDENT LMS

The screenshot shows the login page of iCapital Academy. The header includes the website name, contact information (analystamit@gmail.com, 9967813782, 9004459173), and a 'Sign Up' button. The main content area features a login form with fields for 'Your Email' and 'Enter password', a 'Forgot Password' link, a 'Login' button, and a 'Don't Have an account? Registration' link. Below the login form is a 'Select Your Role' dropdown menu with 'Student' selected, and two social login options: 'Login with Google' and 'Login with Facebook'.

The screenshot shows the instructor dashboard of iCapital Academy. The header includes the website name, contact information, a 'Category' dropdown, and navigation links: Home, About Us, Services, Candidate, Jobs, Blog, Contact Us. There are also 'Log In' and 'Sign Up' buttons. The main content area is titled 'Welcome Back, Instructor' and features a sidebar with a profile card (hello INSTRUCTOR) and a list of navigation items: Dashboard, My Profile, Create Courses, My Courses, Assignments, Announcements, and Payment History. The main content area displays three summary cards: '41 Total Students', '0 Total Courses', and '\$2900 Total Earning'. A WhatsApp chat icon is visible in the bottom right corner.

“cross button” is not there in some courses.

# Unable to forgot password

The screenshot shows a web browser with the address bar displaying `icapitalacademy.com/forgot-password`. The page content is a 500 error message from Symfony. The error message states: "The POST method is not supported for route forgot-password. Supported methods: GET, HEAD." Below the message, a stack trace is visible, with the top frame highlighted in red, indicating the error occurred in `public/index.php:51` at the `require_once` statement. The browser's developer tools are open, showing the error details and the stack trace.

Symfony \ Component \ HttpKernel \ Exception \ MethodNotAllowedHttpException

PHP 8.2.30 9.52.18

The POST method is not supported for route forgot-password. Supported methods: GET, HEAD.
